

Serial No.: 09/986,956

In the drawings:

Substitute formal drawings are being submitted contemporaneously herewith.

Photocopies of the drawings showing the changes are attached hereto.

**REMARKS**

Pursuant to the Notice of Non-Compliant Amendment, applicant is submitting contemporaneously with this response new formal drawings having the required corrections.

A complete review of all drawing objections has been made. It was discovered that the amendments to the paragraph 20 of the specification on June 24, 2004, were incorrect, and that is corrected in the present amendments. In addition, reference to the use of phantom lines in figure 2 to shown motion of the levers is added.

It is believed that this application is in condition for allowance. The examiner is invited to contact the undersigned with any outstanding requirements. Please charge any deficiency and credit any excess to deposit account 50-1088.

Respectfully submitted,  
CLARK & BRODY
